6. Participation in Research Projects

"Anthemion"

1996 - 1998. This research project aimed at locating, recording, indexing and photographing the immensely rich and diverse archival material relating to the history of the Greek-orthodox community of Istanbul in the 19th and 20th centuries. Responsible for the research in the University of Crete to detect, locate and record the Archives of the Greek orthodox community in Istanbul in the 19th and 20th centuries.

"Shared History": The Burning of Smyrna/Izmir

1998-2002. This research project aimed at the study of the history of Izmir from the 19th century to 1922 from the Greek and Turkish viewpoint. My own contribution to the project was the product of archival research especially in Turkey in Ottoman Archives (Osmanlı Arşivi), in Greece in the Historical Archive of the Ministry of Foreign Affairs in France (Archives du Ministère des Affaires Etrangères) and focusing in the economic and social structure of the city of Izmir in the 19th and the early 20th century. This project has been carried out by Panteion University and University of Sabancı.
